

All that Glitters is Gold

CEO of "Pink City International", **Shahzad Khan**, spoke to HRA about how they have ushered an ancient and rare Indian art into contemporary homes, hotels and monuments.

Impressive antecedents

The tradition began a long time ago. Popular for its lasting effect, the rare Indian art of Gold and Silver leafing, also known as gilding, has found its place of pride at places of

monumental beauty: The Samodh Palace - Jaipur, The Golden Temple - Amritsar and The Mysore Palace. Today we are the fifth generation into the business and the allure continues.
